Child Protection and Creating Safe Environments
Online Safety Tips for Parents and Kids:

Even the most trusted adults can't always be trusted. Coaches, teachers and parents are authority figures children feel they can trust. Yet, a large percentage of those who sexually abuse children come from this group. These are adults who have the opportunity to "groom" children with affection and attention, making it difficult for children to identify certain attention as abuse. And they know that children have been taught to "mind" them. Adults must be vigilant and trained to recognize "red flags" of predatory behavior.

Youngsville Food Pantry—For the month of November, we will be having our annual Thanksgiving food drive for any/all non-perishable food items.

Online bulletin—Our bulletin is available online by going to <http://www.stjosephwarrenpa.org> then under "bulletins" tab. This would be helpful when traveling or absent from church.
