Child Protection and Creating Safe Environments
Online Safety Tips for Parents & Kids: Be sure to talk to your kids about cyber bullying. Four out of ten kids have been bullied online and five out of ten have said mean things about others online. Cyber bullying continues to grow and the ultimate tragic result can be suicide. Most kids who suffer cyber bullying do not tell their parents as they are afraid they will lose their online privileges.

Youngsville Food Pantry—For the month of August we would suggest donations of peanutbutter, jelly, cereal, pancake mix, syrup or baking mix. Of course, all non-perishable food or paper product items are always appreciated.

Online bulletin—Our bulletin is available online by going to <http://www.stjosephwarrenpa.org> then under “bulletins” tab. This would be helpful when traveling or absent from church.

Bulletin announcements—Please have bulletin announcements in the church office, in writing, by Wednesday in order to avoid accidental omission.
