Child Protection and Creating Safe Environments
Online Safety Tips for Parents & Kids: All dioceses of the U.S. have policies and procedures in place to address the problem of child abuse and to aid in creating safe environments. The diocese is committed to on-going screening and training of paid or volunteer persons who have regular contact with our children and youth under the age of 18. It is also committed to the yearly inservicing and training of our children, youth and parents regarding touching-safety and safe environments.

Youngsville Food Pantry—For the month of September we would suggest donations of beef stew, spaghetti sauce, pasta, canned soup and hamburger helper. Any non-perishable or paper products are always appreciated.

Online bulletin—Our bulletin is available online by going to <http://www.stjosephwarrenpa.org> then under “bulletins” tab. This would be helpful when traveling or absent from church.

Bulletin announcements—Please have bulletin announcements in the church office, in writing, by Wednesday in order to avoid accidental omission.
