

St. Joseph Catholic School

Job Posting: 4/10/26

Elementary Teacher Aide

Qualifications: Experience working in education preferred. You do not need to be Catholic to apply.

Job responsibilities: Looking for a dynamic candidate who will work collaboratively with the lead teacher to help with classroom management to ensure the classroom environment is conducive to learning and assist with small group instruction. In this position, the candidate will help supervise various groups of students and provide small group support at the discretion of the teacher. Working collaboratively with other teachers and various aged students will be a daily expectation.

Requirements: Applicants must submit a cover letter, completed job application, required clearances, and two references or letters of recommendation. You can call the school or stop by to get an application.

If you have further questions, please call the school at 814-723-2030.
