**Child Abuse Prevention Month- Reporting Child Abuse:** It is every adult's moral responsibility to report known or suspected abuse or neglect of a minor to the responsible authorities. Physical and sexual abuse of minors are pervasive societal problems, and only concerted and sustained efforts by all adults in every segment of society can help to protect children and youth. In the 2023 Pennsylvania statewide report there were 5,129 substantiated reports of child abuse. 1,749 or 34.1% of the substantiated reports were for sexual abuse, 1,350 were physical abuse. Parents remain the persons most responsible for abuse of their children. To report child abuse, call Childline at 1-800-932-0313 (anytime 24/7). For particular questions on reporting abuse in the Diocese of Erie, you may call the Office for the Protection of Children and Youth at 814-824-1195.
