Return for Lenten Concert: On March 30 at 4pm, Nathaniel, Anna & Joseph will return to St. Joseph. This very talented trio from Titusville, will once again grace our church with beautiful music for an afternoon of Lenten reflection.

In your charity please pray for the soul of **Donald Moore**, husband of Patty Moore who passed away this week and for **Thomas Peterson** and **Deacon Joe Lucia** who passed away recently. We extend our sympathy to their families and friends and ask God's love to bring them peace and consolation.

Sacristans Needed: We are looking for volunteers to help with the sacristan duties at our Masses. Sacristans play an very important part in preparing to celebrate the Eucharist. They set the table for our Lord to become truly present for all who attend. Please prayerfully consider being part of this very special ministry. Call the parish office if you'd like more information.

Child Protection and Creating Safe Environments **Digital Dating Abuse** can be defined as "a pattern of behaviors that control, pressure, or threaten a dating partner using a cell phone or the internet." One quarter of youth (12-17) who have been in a romantic relationship during the previous year report that they'd been the victim of digital dating abuse. So, what are some of the best ways for a parent to open up communication with their child about a delicate topic like online dating? First and foremost, ask your child what they are doing online and then really **listen** to why they like or don't like what's going on there. Parents must be diligent about staying on top of the latest trends. Great online dating tips can be found at www.cyberwise.org. For additional resources visit www.eriecd.org/childprotection/
